※ situation はすべて割愛。一部見ておいた方がいいところは書いています。

3-1 (situation も見ておいた方がいいかも)

Joe: I love the sound of those roaring jets. Isn't it exciting?

Mary: It's exciting to see them taking off and landing, but when it comes to flying, that's a different story.

Joe: You're not feeling scared, are you? You've flown across the States and back.

Mary: Oh, I just don't like to sit there for so many hours.

Joe: Well, you'll be landing in London before you know it. Have a nice trip!

Mary: Hey, thanks for coming to see me off.

3-2

Tom: Oh, my God! My wallet's missing. It's been stolen!

Mary: OK, Tom, don't panic. I'll find your missing wallet with my special detective power.

Tom: We haven't got time to joke. We need to get onto the plane!

Mary: Abracadabra! I see a faded denim jacket in an overpacked backpack.

Tom: And it's got a wallet in the pocket! Yeah! I put it there when I went to the john.

Mary: How right, sir! And you'll have to say "loo" when you get to England, sir!

3-3

Mr. J: Welcome to England, Henry! I hope you had a smooth flight.

Dr.G: Thank you, James. We did, but the states assigned to us were near the engines quite noisy.

Mr. J: Those are my kids over there. The girl standing by the vending machine is my daughter, Susan.

Dr.G: And the young man looking at the souvenirs is your son Robert, right?

Mr. J: Well, he wants to be called "Rob," but how did you guess?

Dr.G: Well, he looks exactly like you looked years ago!

4-1 (situation も見ておいた方がいいかも)

Grandma: James, you should take our guests to Sherwood Forest this weekend.

Mr.J: Just as you were saying that, I thought of the Robin Hood Festival. When is it?

Grandma: It's being held now, but by the time your conference ends, it'll be over.

Mr. J: You amaze me. How did you know that?

Grandma: Ever since you bought me that computer, I've been very busy.

Mr.J: Isn't she amazing, Henry? Whenever she wonders about something, she looks it up on the internet.

4-2

Tom: Wasn't that neat when the outlaws came jumping out of that oak tree as soon as the Sheriff disappeared?

Rob: Yeah. There was enough room in there to hide the whole gang.

Tom: And everyone stood amazed when they suddenly appeared in the chapel.

Rob: Just as the wedding was going to begin.

Tom: Alan got his bride, the bride got her groom, and everyone cheered.

Rob: Everyone except the bishop and that rich bloke.

4-3

Tom: Something's wrong with my shoe.

Rob: It looks like the sole's coming off.

Tom: Oh, great! And here we are in the middle of a forest!

Rob: That's OK. We'll get it fixed as soon as we get back to London.

Tom: Can I get it done in a day or two?

Rob: There are places that get things done quickly, but it'll probably cost more.
